TMR's recycling bags will be distributed to you in connection with subscribing to the service. For smooth management, we will only accept waste packaged in TMR's bags for sorting of waste packaging from paper/cardboard, plastic and metal. These bags are estimated to hold approximately one month's consumption of packaging. When the bags begin to fill up, you can order collection via telephone, email or the website. Due to risk of fire, it is not allowed to put out full bags in the stairwell – we will ring your bell and collect our recycling bags directly at the door.
